Redruthan Steps The rugged and rocky scenery of Cornwall reaches its perfection on the north coast. The neighbourhood here is particularly rich in picturesque cliffs and frowning headlands, against which the long rollers sweep with the full force of their uninterrupted journey across the Atlantic. A "rough sea" viewed from the Redruthan Steps on a stormy day is an awesome and inspiring experience.

Printed in England

Thanks for P.C. glad you are having a good time. Hope the weather will be fine when we go to [illegible]
